#### Biography of U Moe Myint

Some will say he was lucky but that is not even close to the truth. It is all a by-product of his struggles and experiences along with perseverance, hard work, and determination that shaped him into who he is now.

Written in prophetic biography style, the book offers U Moe Myint’s journey to becoming Myanmar’s leading influential businessman in the energy sector. In the first-ever biography of this energy magnate, the author traces his early childhood days to being in the Myanmar National Airways to eventually establishing himself as a risk-taking oil and gas explorer, a fierce optimist who firmly believes in giving back to the community. And last but not least, a simple ordinary man with a passion for sailing who brought Myanmar Sailing into the national and international spotlight.

Inspiring, authentic, and insightful, the books tell the revelatory story of U Moe Myint’s personal life and career in a vivid, intimate way, in a way no one else could possibly do. A man of humble beginnings who shares traits of a nationalistic “good citizen”, the books offer practical guidelines to navigate the many challenges involved in becoming successful in life.

Hard copy in Myanmar language is now available at Vantage Tower in Yangon. The eBook versions in Myanmar, English, and Thai are also now available.
